*The writing SOL can be earned through locally developed and locally scored "authentic performance assessments".		*The writing SOL can be earned through locally developed and locally scored "authentic performance assessments".	

VERIFIED CREDIT means passing the course and the end-of-course SOL test.

Additional Graduation Requirements

Requirement	Description
Advanced Placement, Honors, or Career and Technical Education Credential	In accordance with the Standards of Quality, students shall (i) complete an Advanced Placement, honors, or dual enrollment course; (ii) complete a high-quality work-based learning experience as established by board guidance on work-based learning; or (iii) earn a career and technical education credential approved by the board, except when a career and technical education credential in a particular subject area is not readily available or appropriate or does not adequately measure student competency, in which case the student shall receive satisfactory competency-based instruction in the subject area to satisfy the advanced studies diploma requirements. The career and technical education credential, when required, could include the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness assessment.
Virtual Course	Students shall successfully complete one virtual course, which may be a non-credit-bearing course or a required or elective credit-bearing course that is offered online.
Training in emergency first aid, cardiopulmonary resuscitation (CPR), and the use of automated external defibrillators (AED)	Students shall be trained in emergency first aid, CPR, and the use of AED, including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation. Students with an IEP or 504 Plan that documents that they cannot successfully complete this training shall be granted a waiver from this graduation requirement.
Demonstration of the Five Cs	Students shall acquire and demonstrate foundational skills in critical thinking, creative thinking, collaboration, communication, and citizenship in accordance with the Profile of a Virginia Graduate approved by the board.

Applied Studies Diploma/Certificate of Completion/GED

Diploma/Certificate	Requirements
Applied Studies Diploma	<p>In accordance with the requirements of the Standards of Quality, a student with disabilities who completes the requirements of the student's IEP and does not meet the requirements for other diplomas shall be awarded an Applied Studies Diploma in accordance with state and federal laws and regulations regarding special education.</p> <p>Students who pursue an Applied Studies Diploma shall be allowed to pursue a Standard Diploma or an Advanced Studies Diploma at any time during high school. Such students shall not be excluded from courses or tests required to earn these diplomas.</p>
Certificate of Completion	<p>Students who successfully earn the required number of standard credits but not the required number of “verified” credits are eligible to receive a Certificate of Completion. Students who successfully fulfill the requirements for earning a Certificate of Completion will be allowed to participate in graduation ceremonies.</p>
General Education Development Credential (GED)	<p>Students who are at least 16 years of age may request to enroll in an Individualized Alternative Education Program that leads to the opportunity to earn a high school equivalency (HSE) credential. Currently, the GED® test is the only approved HSE examination in Virginia. After required counseling by the student support specialist, the student, parent, and a school division representative at Dowell J. Howard Center, the student is administered the GED Ready® Practice Test along with an approved test of basic reading skills. If the required scores for entry are attained by the student, an Individualized Student Alternative Education Plan (ISAEP) will be developed with the student, parent, ISAEP teacher, and an administrator at Dowell J. Howard Center. The flexible-hour program housed at Dowell J. Howard Center will enable students to meet the requirements of their ISAEP and prepare them for the GED® test. Once students successfully fulfill their ISAEP and earn their GED®, compulsory attendance requirements are considered to have been fulfilled.</p>

Graduation (Diploma) Seals of Achievement

Students who demonstrate academic excellence and outstanding achievement may be eligible for one or more of the following awards:

- **The Governor's Seal** shall be awarded to students who complete the requirements for an Advanced Studies Diploma with an average grade of "B" or better and successfully complete college-level coursework that shall earn the student at least nine transferable college credits in Advanced Placement (AP) or dual enrollment courses.
- **The Board of Education Seal** shall be awarded to students who complete the requirements for a Standard Diploma or an Advanced Studies Diploma with an average grade of "A."
- **The Board of Education's Career and Technical Education Seal** shall be awarded to students who earn a Standard Diploma or an Advanced Studies Diploma and complete a prescribed sequence of courses in a career and technical education concentration or specialization that they choose and maintain a "B" or better average in those courses or (i) pass an examination or an occupational competency assessment in a career and technical education concentration or specialization that confers certification or occupational competency credential from a recognized industry, trade, or professional association or (ii) acquire a professional license in that career and technical education field from the Commonwealth of Virginia. The board shall approve all professional licenses and examinations used to satisfy these requirements.
- **The Board of Education's Science, Technology, Engineering, and Mathematics (STEM) Seal** shall be awarded to students who meet the criteria established by the board.
- **The Board of Education's Seal for Excellence in Civics Education** shall be awarded to students who earn either a Standard Diploma or an Advanced Studies Diploma and (i) complete Virginia and United States history and Virginia and the United States government courses with a grade of "B" or higher; (ii) have good attendance and no disciplinary infractions as determined by local school board policies; and (iii) complete 50 hours of voluntary participation in community service or extracurricular activities. Activities that satisfy the requirements of clause (iii) of this subdivision include (a) volunteering for a charitable or religious organization that provides services to the poor, sick, or less fortunate; (b) participating in Boy Scouts, Girl Scouts, or similar youth organizations; (c) participating in JROTC; (d) participating in political campaigns or government internships, or Boys State, Girls State, or Model General Assembly; or (e) participating in school-sponsored extracurricular

activities that have a civics focus. Any student who enlists in the United States military prior to graduation shall be deemed to have met this community service requirement.

- **The Board of Education's Seal of Biliteracy** shall be awarded to students who demonstrate proficiency in English and at least one other language and meet additional criteria established by the board.
- **The Board of Education's Seal for Excellence in Science and the Environment** shall be awarded to students who earn either a Standard Diploma or Advanced Studies Diploma and (i) complete at least three different first-level board-approved laboratory science courses and at least one rigorous advanced-level or postsecondary-level laboratory science course, each with a grade of "B" or higher; (ii) complete laboratory or field-science research and present that research in a formal, juried setting; and (iii) complete at least 50 hours of voluntary participation in community service or extracurricular activities that involve the application of science such as environmental monitoring, protection, management, or restoration.
